### PLEASE READ THIS BEFORE YOU REGISTER FOR THE PEACE II PROGRAMME

PEACE II is a unique programme, in that to be eligible for funding all applicants must show how their particular project contributes to Peace and Reconciliation. This is done through very specific distinctiveness criteria that are intended to ensure that only those projects which specifically address the legacy of the conflict and/or take the opportunities arising from peace and pave the way to reconciliation will be supported under the programme.

There are two parts to the application form/process (A and B). The part A can also be completed via the website at [www.eugrants.org](http://www.eugrants.org). Part B is a paper based form, in that it requires a signature, but a Microsoft Word version of the Measure 2.2 part B form is available via email from [peace2applications@selb.org](mailto:peace2applications@selb.org).

**Both parts must be completed, in full, and received by the above date before the application will be considered complete.**
